Rubright > EGTS(DTI)	EB180	5,000	

- Please submit requests for first of the month **base load capacity** to the Transportation Services
- Group 7 business days before the end of the month. **Also, if your submissions change, please notify Transportation Services no later than 48 hours prior to Gas Day 1.**
- Intra-month request can be made 48 hours before flow date with approval/denial within 24 hours. All other timely nominations will have lower priority and may be subject to cuts based on operational constraints. **Also, use of Rubright needs 24 hour prior notice.**
- ***Only EGTS(DTI) gate space requests greater than 250 dth/day need to be submitted.**

All volumes are subject to change at any time.
